

NOTICE OF AUCTION

Dear

AVINOIL S.A. announces an auction, with the submission of closed tenders, in order to proceed with Construction of a Hydrogen Refueling Station (HRS) for public transport means - buses in the bus depot of the Public Transport Authority (PTA) OSY at Thriasio, Attiki, in the Core Urban Node of Athens

INVITATION TO TENDER

If you wish to participate in this auction by submitting a bid, please send a relevant message by **email within two (2) days** to Mrs. Chroni at schroni@ceg.gr, in order to be sent **two envelopes**, which must be **completed and submitted within one week from the date of notification**, without a password:

- a) Motor Oil seller's risk assessment, and
- b) Data protection and compliance assessment.

After checking and approving the above two files, you will be sent electronically the instructions for accessing the website where the tender documents have been posted.

GENERAL TERMS

The contractor must submit a detailed timetable for the completion of the project.
The standard value and in addition the prices per item as described should be indicated
The payment of the invoice(s) will be made within 90 days of their issuance

TECHNICAL OFFER

- The Technical Offer, should be sent by email to schroni@ceg.gr with the following indication:
"HRS CRITICAL EQUIPMENT"

FINANCIAL OFFER SUBMISSION INSTRUCTIONS

The financial offer with the title AUCTION FOR THE CONSTRUCTION AND SUPPLY OF HRS CRITICAL EQUIPMENT should be uploaded to our Bid Management System (instructions will be given to you at a later time).

E-quotes should be sent at the same time as the technical offer, on a date to be determined.

In emails you send, you won't put notifications.

For any technical information or in general, please send them to [the email schroni@ceg.gr](mailto:schroni@ceg.gr)

All questions and answers will be sent to all candidates.
